....

....

....

....

....

....

....

Sample Test 13

1 Listen and write T (True) or F (False) :

	T	F
1. I'm a guide.		
2. I catch fish.		
3. I sell my fish in the market.		
4. I wake up very early every day.		

2 Read and complete the text with the words in the box.

pollution – burn – electricity – population

We all need electricity in our houses. Now we are using more (1) .... We can make electricity from different energy resources. Non-renewable resources like coal, oil and gas come from the Earth. We cannot make more of them. When we (2) .... non-renewable resources to make electricity ,we also cause (3) ....

3 Read and match (A) with (B).

A

1. The fennec fox loses
2. A wind farm
3. Never put anything into a socket,
4. Spiders

B

a. needs a big space.
b. only use plugs.
c. eat insects.
d. heat from its ear.
e. have seeds inside.

4 Read the text and answer the questions.

I'm Amira. I'm an electrician. I studied and practiced for three years before I became an electrician. It is not an easy job but I like it. Electricity is very important in our houses. We use electricity to light our houses. Electricity travels faster than 300,000 kilometers/seconds! In a storm, we sometimes see a flash of lightning. That flash has enough electricity for 1000 families for a year!

A. Choose the correct answer from a, b, c or d:

1. The text is about ....
   a. houses b. electricity c. light d. storm
2. We use electricity to .... our houses.
   a. light b. paint c. study d. flash

B. Answer the following questions.

3. Is electricity fast or slow ?

   ....

4. What should you do to be an electrician ?

   ....

5 Reorder the words to make correct sentences.

1. the – tools – These – are – plumber's.

   ....

2. to – do – do – What – you – want ?

   ....

3. very – That – drives – badly – a taxi – driver.

   ....

6 Punctuate the following.

which plant is the tallest

....

7 Write a paragraph of EIGHTEEN (18) words using the following guiding elements.

Hurghada

Guiding fact file :

- Where is it ?
- Interesting places in Hurghada

....
....
....
....
....
....
....

Listening Texts of Sample Tests

نصوص استماع الاختبارات

Sample Test 1

The fennec fox lives in the desert. It's smaller than other foxes. Its ears are big. The fennec fox needs big ears to hear insects and small animals.

Sample Test 2

Marie works at the supermarket near her house. My family and I see her every week when we buy food. She checks that the food is fresh. She helps me when I can't find something. She is very kind and helpful.

Sample Test 3

We shouldn't waste a lot of electricity and we should save it. When you leave a room, turn off the lights. If you're not using your computer or television, unplug it. Use natural light in the day.

Sample Test 4

My name is Zain. I live in a village next to the Nile. I live in a house with my family. Our house isn't the biggest in the village. There are tall trees behind my house.

Sample Test 5

We put a seed in the soil. The seed needs sunlight and water so it can grow. The seed grows roots under the soil. Then it grows a shoot and gets taller above the soil. Finally, the full plant grows leaves and flowers.

Sample Test 6

A plant is made of millions of cells. The plant cells are very, very small. Chloroplasts make the plant green. You can only see them with a microscope. The green plant cells make food for the plant. They use sunlight, carbon dioxide and water.

Sample Test 7

Farmers work in agricultural habitat. They grow food for us to eat. Plants near rivers and lakes need a lot of water. There is not much rain in the desert habitat. Plants that live in the desert do not need a lot of water.

Sample Test 8

I live in a city called Hurghada. It's in the east of Egypt on the

Red Sea. There's a beach and there are lots of interesting things to do in it. It's a big city and about 190,000 people live here.

Sample Test 9

Snakes and crocodiles are very dangerous, but they do a very important job. They eat insects, birds and lizards. We sometimes think some animals are scary or ugly, but they are all important.

Sample Test 10

My grandfather is called Hatem. He is 60 years old. He lives with my grandmother. My grandparents live in a cave. The rooms of their house are in the rock. Inside, it's never too hot or too cold.

Sample Test 11

A garbage collector is outside all day. When it rains, the garbage collector gets wet ! But the garbage collector is happy because he helps to clean the city. He is healthy because he walks every day.

Sample Test 12

Amir was a teacher. He was always very patient and he liked helping people. Sometimes, big brothers can get angry at their little brothers, but Amir was never angry. He played, helped, and explained things all the time.

Sample Test 13

I'm a fisherman. I wake up very early every day. I go out on my boat and catch fish. Then in the afternoon, I come back and sell my fish in the market.

Sample Test 14

The naked mole rat lives in eastern Africa. It has big teeth and no hair. It can't control its body temperature because it has no hair. The naked mole rats are special because they don't get ill and live for a long time.

Sample Test 15

To be a teacher you should be patient and clever. A good teacher is always ready to learn. Teachers teach their students, but students also teach their teachers. Everyone in the class knows different things.

امتحانات على منهج الفصل الدراسى الأول طبقا لأحدث المواصفات
نوفمبر 2022

1 Listen and write T (True) or F (False):

....

2. straight – Go – ahead – turn – then – right.

....

3. long – How – a steppe – does – eagle – live?

....

6. Punctuate the following: 1

The bus driver helps hana go to school

....

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements: 4

"Damietta Governorate"

- How is the land there?
- What do farmers grow there?

....

....

....

Final Exam 8

30

Listening

1. Listen and write T (True) or F (False):

8

1. Sherifa's aunt is a police officer. (....................)
2. There are some cons for being a mail carrier. (....................)
3. Sherifa's aunt works in an office all the day. (....................)
4. Sherifa's aunt sometimes carries heavy mail bags. (....................)

Reading

2. Read and complete the text with words in the box:

3

heat – hooves – insects – foxes

The fennec fox lives in the desert. It's smaller than other ....(1).................... . Its ears are big, really big! The fennec fox needs the big ears to hear ....(2).................... and small animals. During the day, it's hot in the desert. The fox loses ....(3).................... from its ears. At night it's cold. The fox's thick fur keeps it warm.

3. Read and match (A) with (B):

4

A

1. The land is full of nutrients …
2. I can relax and do my homework …
3. The esophagus goes …,
4. Plant cells need carbon dioxide …

B

a. ( ) to make food for the plant.
b. ( ) is never too cold or too hot inside it.
c. ( ) in Damietta Governorate.
d. ( ) in the bedroom.
e. ( ) from the mouth to the stomach.

4. Read the text and answer the questions:

4

We use electricity all the time in our daily lives. However, electricity can be dangerous. So, we should be careful when we use it. We should never touch anything electrical with wet hands. Electricity travels easily through water and our bodies are 70% water. We shouldn't also use a broken wire because this can cause an electric shock or start a fire. We can only put plugs into a socket.

A Choose the correct word:

1. We should never touch anything electrical with (broken – wet – dry – soft) hands.
2. Electricity travels easily though (water – wood – rocks – plastic).

B Answer the following questions:

3. Why shouldn't we use a broken wire?

....

4. What can we put into a socket?

....

Writing

5. Reorder the words to make correct sentences: 6

1. keep – The – school – cleaners – the – clean.

....

2. is – The bank – next – to – mall – the – shopping.

....

3. live – Does – Noha – on – boathouse – a?

....

6. Punctuate the following: 1

does sarah live in a cave?

....

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements: 4

"Plant habitats"

Agriculture habitat – desert habitat

....

....

....

Final Exam 9

Listening

1. Listen and write T (True) or F (False):

1. Damietta is a French governorate. (....................)
2. Farmers grow many crops in Damietta. (....................)
3. Fishermen catch thousands of fish. (....................)
4. Life is boring in Damietta. (....................)

Reading

2. Read and complete the text with words in the box:

sunflower – rivers – tamarisk – agriculture

Plants grow in different habitats. Bean plants and orange trees grow in the ....(1)............... habitat. Farmers work there. Reed and lotus flowers grow near ....(2).................... and lakes. Acacia and ....(3).................... trees grow in the desert. Plants that grow in this habitat don't need much water to grow.

3. Read and match (A) with (B):

A

1. The heart …
2. A female steppe eagle is …
3. When something is polluted …
4. People need oxygen …

B

a. ( ) it's dirty from cars and factories.
b. ( ) so that they can breathe.
c. ( ) pumps the blood around the body.
d. ( ) heavier and larger than the male.
e. ( ) to cool buildings and apartments.

4. Read the text and answer the questions:

Green plants are good for the environment. Plant cells take carbon dioxide from the air. They need it to make food for the plant. The plant then produces oxygen. People need oxygen so that they can breathe. Plants in our houses and parks give us cleaner air to breathe. In some cities, like Paris and Milan, people are growing plants on apartments. These plants keep the building cool and help with air pollution.

A Choose the correct word:

1. Plant (cells – seeds – roots – shoots) take carbon dioxide from the air.
2. Plants in houses and parks give us (bed – harmful – polluted – cleaner) air to breathe.

B Answer the following questions:

3. What do people need to breathe?

....

4. How can plants help with air pollution?

....

Writing

5. Reorder the words to make correct sentences: 6

1. does – What – a – do – driver – bus?

....

2. relax – I – and do – in the – homework – bedroom – can.

....

3. are – Those – electrician's – the – tools.

....

6. Punctuate the following: 1

noha works at the supermarket

....

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements: 4

"Places where people live"

- Where do people in big cities live?
- Where do people in the desert live?

....

....

....

Final Exam 10

30

Listening

1. Listen and write T (True) or F (False): 8

1. Egypt is famous for its cotton. (....................)
2. Egyptian cotton is the best in the world. (....................)
3. Egyptian cotton grows in the desert. (....................)
4. Egyptian cotton has short fibers. (....................)

Reading

2. Read and complete the text with words in the box: 3

seeds – microscope – food – cells

A plant is made of millions of cells. These ....(1)..................... are very small that we can't see them with our own eyes. We can only see them with a ....(2)..................... . Chloroplasts make the plant green. The green plant cells make ....(3)..................... for the plant. They use sunlight, carbon dioxide, and water.

3. Read and match (A) with (B): 4

A

1. A: What foods do we produce in Egypt?
2. Spiders may look scary, …
3. The shoot grows above the soil.
4. The sound in the word "sweep" …

B

a. ( ) It gets taller to have leaves.

b. ( ) Farmers raise chicken in Egypt.

c. ( ) B: We produce many fruits and vegetables.

d. ( ) but they are helpful.

e. ( ) is the same as in the word "sleep".

4. Read the text and answer the questions: 4

Camels are amazing animals. They are perfect for the desert. Camels have large, flat feet so they can walk on the sand. Camels can live without water for a long time. Camels have special ways to close their noses and eyes to stop the sand from coming in. Camels are also helpful. They help us to carry things and people to cross the desert. Their milk is delicious. We can use their fur to make clothes.

A Choose the correct word:

1. Camels have large flat (nose – legs – feet – tail) to walk on the sand.
2. We can use the camels' (ears – nose – fur – hump) to make clothes.

B Answer the following questions:

3. Why are camels perfect for the desert?

....

4. How are camels helpful?

....

Writing

5. Reorder the words to make correct sentences:

6

1. strong – A builder – makes – walls – the – safe – and.

....

2. inside – It's never – too hot – a cave – or – too cold.

....

3. connected – Who – pipes – faucets – and?

....

6. Punctuate the following:

1

is there a beach in Brighton city

....

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements:

4

"Pros of being a mail carrier"

outside – friends

....

....

....

Model Exam 1

1. Listen and write T (True) or F (False):

Many foods come from Egypt. Egypt is famous for growing rice. We produce vegetables like onions, potatoes, and tomatoes. Egypt produces fruits like mangoes, bananas, and watermelons. Egyptian food is delicious. Egyptian farmers raise animals on their farms. They raise chickens, goats, and cows.

1. Egypt is famous for growing pineapples. (F)
2. Farmers produce vegetables like onions and potatoes. (T)
3. Egyptian food is harmful. (F)
4. Egyptian farmers raise animals on their farms. (T)

2. Read and complete the text with words in the box:

space – Earth – electricity – energy

We are using more and more electricity. We can use many energy resources to make electricity. Today, around 80% of the electricity we use comes from non-renewable energy resources. We take these resources from the Earth and we can't make more. When we burn these resources to make electricity we may cause pollution.

3. Read and match (A) with (B):

4

A

1. The fennec fox has big ears …
2. A: What do birds have?
3. We produce vegetables, …
4. Tomatoes are green …

B

a. (4) before they are red.
b. (   ) They have thick fur.
c. (1) so that it can hear insects and small animals.
d. (2) B: They have wings, feathers, and beaks.
e. (3) such as onions and potatoes.

4. Read the text and answer the questions:

Hello! My name is Yara. I am a student in grade 4. My mom is a teacher. She says that teaching is the best job in the world. For a teacher every day is different. Students always ask surprising questions. That's why teachers need to think quickly. They also need to be patient as they work for many hours every day. Teachers work inside classrooms all the time. This isn't fun when it's too hot.

A Choose the correct word:

1. Yara's mom is a (student – police officer – teacher – doctor).
2. For teachers, every day is (different – similar – the same – boring).

B Answer the following questions:

3. Why do teachers need to think quickly?

   Because students always ask surprising questions.

4. Where do teachers work?

   Teachers work inside classrooms all the time.

5. Reorder the words to make correct sentences:

1. favorite – What's – your – , Salma – room?

   - What's your favorite room, Salma?

2. all the – The garbage – takes – collector – away – garbage.

   - The garbage collector takes away all the garbage.

3. the – Turn off – lights – the room – when – you – leave.

   - Turn off the lights when you leave the room.

6. Punctuate the following:

Life is good in damietta

Life is good in Damietta.

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements:

"Hurghada"

- Where is it? - How many people live there?

Hurghada is in the east of Egypt on the Red Sea. It's a big city and about 190.000 people live there.

Model Exam 2

Listening

1. Listen and write T (True) or F (False): 8

Adam is in a wheelchair basketball team at school. We practice three times every week. I drink cola, but I want to drink more water. I don't play video games because I'm very busy. I play basketball in the park.

1. Adam is in a wheelchair football team. (F)
2. They practice three times every month. (F)
3. Adam doesn't play video games. (T)
4. He plays basketball in the park. (T)

2. Read and complete the text with words in the box:

help – dangerous – electrician – lights

My name is Aser. I want to be an electrician when I grow up. My father is an electrician, too. He connects electricity so people can use lights, watch TV, or do homework on their computers. I want to fix things and help people. I think electricity is interesting.

3. Read and match (A) with (B): 4

A

1. We use our digestive system …
2. Camels have large, flat feet …
3. About 1.5 million people …
4. First, you put a seed into the soil, …

B

a. (4) then the seed grows roots.
b. (3) live in Damietta governorate.
c. (1) when we eat and drink.
d. (2) so they can walk easily on the sand.
e. ( ) Sugarcane is my favorite fruit.

4. Read the text and answer the questions:

The things we make, buy, and sell are all part of the country's economy. There are many industries in our economy such as farming, fishing, and tourism. There are many people who work in each industry. Take farming as an example. Many farmers work in their lands. They grow and produce many crops. Drivers take the food to supermarkets. Supermarkets sell the food to customers. Customers buy the food and they eat it.

A Choose the correct word:

1. Farming, fishing, and (farmers – economy – tourism – food) are industries.
2. (Fishermen – Customers – Farmers – Drivers) take the food to supermarkets.

B Answer the following questions:

3. Where do farmers work?

   Farmers work in their lands.

4. What do customers do?

   Customers buy the food and they eat it.

5. Reorder the words to make correct sentences:

6

1. next – The – supermarket – is – park – the – to.

   - The supermarket is next to the park.

2. sell – Fishermen – fish – catch – and.

   - Fishermen catch and sell fish.

3. friends – I – for – flapjacks – my – make.

   - I make flapjacks for my friends.

6. Punctuate the following:

what is your father's job, adel?

What is your father's job, Adel?

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements:

4

"Saving electricity"

turn off - unplug

It's important to save electricity. When you leave a room, turn off the lights. If you're not using the computer unplug it.

Model Exam 3

1. Listen and write T (True) or F (False):

If someone falls over and cuts his leg, ask him to sit down. Put on gloves. Wash the scrape with water and soap. Put on a band-aid. The next day, wash the scrape with soap and water again. Redo the band-aid.

1. If someone falls over and cuts his leg, ask him to stand up. (F)
2. Wash the scrape with water and soap. (T)
3. Don't put on a band-aid. (F)
4. The next day, wash the scrape with soap and water. (T)

2. Read and complete the text with words in the box:

slice – add – stir – cookies

Flapjack is a British food. Flapjack is big, square cookies. We make them with oats, butter, and honey. To make delicious flapjack, melt the butter, sugar, and honey in a large pan over low heat. Add oats and salt and then stir well. Bake for 20 minutes. When the flapjacks are cold, slice into small squares.

3. Read and match (A) with (B):

A

1. The large intestine …
2. Rhim Gazelles have yellow-white coats …
3. Farmers used rainwater to …
4. A: Where is the supermarket?

B

a. (3) water the plants.
b. (   ) They can walk on the sand.
c. (1) takes water and salt from food to our bodies.
d. (2) that protect them from the sun.
e. (4) B: It's between the school and the hospital.

4. Read the text and answer the questions:

We use our respiratory system when we breathe. We need oxygen in our bodies. We breathe in air through our nose. The diaphragm goes down. It pulls air into our lungs. When the air arrives in our lungs, the oxygen goes into our blood. The heart pumps the blood around our body. The diaphragm goes up and pushes the air with carbon dioxide out of our lungs. We breathe it out.

A Choose the correct word:

1. We breathe in air through our (feet – eyes – nose – ear).
2. When the diaphragm (goes up – goes down – goes out – goes in), it pulls the air into the lungs.

B Answer the following questions:

3. When do we use our respiratory system?

   We use our respiratory system when we breathe.

4. What does the heart do?

   The heart pumps the blood around our body.

5. Reorder the words to make correct sentences: 6

1. can – Where – you – clothes – buy – shoes – and?

   - Where can you buy clothes and shoes?

2. the bank – The school – between – is – park – and – the.

   - The school is between the bank and the park.

3. touch – Never – anything – with – hands – electrical – wet.

   - Never touch anything electrical with wet hands.

6. Punctuate the following: 1

Suzanne is from egypt

Suzanne is from Egypt.

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements: 4

"Steppe eagle"

How long does it live?	around 30-40 years
Where does it live?	open areas

The steppe eagle is a big, beautiful bird. It lives around 30-40 years. Steppe eagles live in very big, open areas.

1. Listen and write T (True) or F (False): 8

The steppe eagle travels from Europe to Africa in winter. It eats rabbits, birds and small mammals. It lives in very big, open areas. It's about 3 kilograms. The female eagle is bigger and heavier than the male. They are very beautiful.

1. The steppe eagle travels from Europe to Africa in summer. (F)
2. It eats rabbits, birds, and small mammals. (T)
3. It lives in open areas. (T)
4. The female eagle is smaller than the male. (F)

2. Read and complete the text with words in the box:

grapes – vegetables – animals – grow

Farmers in Egypt produce many things we eat. They grow vegetables like onions, potatoes, and tomatoes. They also grow many different kinds of fruits like grapes bananas, mangoes, and watermelon. They grow sugarcane, too. We can get the best sugar from sugarcane. Farmers in Egypt also raise animals like goats, sheep, and cows.

3. Read and match (A) with (B):

A

1. The diaphragm goes down …
2. Ice cream is more delicious …
3. I think crocodiles are …
4. Plants that grow near rivers and lakes …

B

a. (4) need a lot of water to grow.
b. (3) scarier than spiders.
c. (1) and pulls the air into the lungs.
d. (2) than cookies.
e. (   ) grow in the desert.

4. Read the text and answer the questions:

Heba, Habiba, and Omar are cousins. But they are all very different. When Heba was young, she was a curious child. She loved experiment. She used a screwdriver to open old cell phones and radios. When Habiba was young, she liked to play with blocks. Her favorite toy was her doll. Omar was always very patient and he liked helping other people. He was never angry with his younger brother. He explained things to him all the time.

A Choose the correct word:

1. Heba, Habiba, and Omar are (friends – students – cousins – classmates).
2. Habiba's favorite toy was her (screwdriver – blocks – doll – radio).

B Answer the following questions:

3. What did Heba use the screwdriver for?

   She used the screwdriver to open old cell phones and radios.

4. What did Omar like doing?

   He liked helping other people.

5. Reorder the words to make correct sentences: 6

1. plants – How – can – air – the – clean?

   - How can plants clean the air?

2. are – We – to the – sick – go – hospital – when – we.

   - We go to the hospital when we are sick.

3. fixes – The mechanic – cars – buses – and.

   - The mechanic fixes cars and buses.

6. Punctuate the following:

What s Damietta famous for

What's Damietta famous for?

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements: 4

"Workers who made our school"

Many workers worked together to make my school. The builders built the school. The plumbers connected the pipes.

1. Listen and write T (True) or F (False):

Horses have large, beautiful eyes. They are faster than camels. They can run at 88 kph. They have strong teeth. They eat grass and drink fresh water. They are shorter than camels. They are about 380 kilograms. They live up to 30 years.

1. Horses have small eyes. (F)
2. Horses are faster than camels. (T)
3. Horses drink fresh water. (T)
4. Horses can live up to 30 years. (T)

2. Read and complete the text with words in the box:

awful – skills – mechanic – driver

We can all help each other in our community. Many people around us have special skills to help us. For example, a bus driver helps the builder go to his work. When the bus breaks, the bus driver needs a mechanic to fix it. If we help one another, we can make our city a better place to live in.

3. Read and match (A) with (B):

4

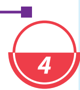

A

1. Stay away from smoke …
2. Horses like to eat grass …
3. The rose is taller than the daisy, but …
4. I love playing video games, but …

B

a. (3) the sunflower is the tallest flower.
b. (4) I only play them once a week.
c. (1) to have a healthy respiratory system.
d. (2) and drink fresh water.
e. ( ) Those are the plumber's tools.

4. Read the text and answer the questions:

We use our digestive system to digest what we eat and drink. We put food in our mouths. We chew food with our teeth. Then food goes down the esophagus. When the food moves from the stomach to the small intestine to complete the digestion. The large intestine is around the small intestine. It takes water and salt from food for the body. It removes waste.

A Choose the correct word:

1. We use our digestive system when we (eat – play – breathe – run).
2. The (mouth – teeth – esophagus – gastric juice) moves food to the stomach.

B Answer the following questions:

3. What does the gastric juice do?

   It digests food.

4. What does the large intestine do in our body?

   It takes water and salt from food for the body. It removes waste.

5. Reorder the words to make correct sentences:

1. room – The living – Ola's – room – favorite – is.

   - The living room is Ola's favorite room.

2. does – Where – a steppe – live – eagle?

   - Where does a steppe eagle live?

3. letters – We – send – can – at the – office – post.

   - We can send letters at the post office.

6. Punctuate the following:

nada's father works in the mining industry

Nada's father works in the mining industry.

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements: 4

"Plant cells"

- Is a plant cell big or small? - What do they do for the plant?

A plant is made of millions of cells. They are very small that you can only see them with a microscope. Plant cells make food for the plant.

Model Exam 6

1. Listen and write T (True) or F (False):

All local homes and businesses need a mail carrier to deliver packages and letters. We all need a garbage collector to take away our garbage and keep our streets clean. We can help each other. It's the right thing to do.

1. No local homes need a mail carrier. (F)
2. Mail carriers deliver packages and letters. (T)
3. Garbage collectors help us keep our streets clean. (T)
4. It's not right to help each other in our community. (F)

2. Read and complete the text with words in the box:

spider – crocodile – insects – dangerous

We sometimes think some animals are scary or ugly but they are all important. The crocodile is huge and scary. Spiders are also scary. Crocodiles and spiders are dangerous but they do a very important job. They eat insects, birds, and lizards. This controls the number of these small animals.

3. Read and match (A) with (B):

4

A	B
1. I drink cola, but	a. (4) grow in the desert habitat.
2. Horses are faster than camels,…	b. ( ) chew food with our teeth.
3. Put green plants in your balcony …	c. (1) I want to drink more water.
4. Acacia and tamarisk trees …	d. (2) but camels are taller than horses.
	e. (3) to help stop air pollution.

4. Read the text and answer the questions:

I am Hamza. I live in a small city with my family. It has stores, offices, a shopping mall, and a big library. I think it's a good place to live in. Every day, I go to school by bus because I live far from my school. My school is next to the hospital where my father works. Next to the hospital, there is a big park. I often go there on the weekends to play handball with my friends. There is also a big supermarket where we can buy different foods and drinks.

A Choose the correct word:

1. Hamza's school is (behind – beside – next to – in front of) the hospital.
2. Hamza buys foods and drinks at the (school – hospital – supermarket – park).

B Answer the following questions:

3. How does Hamza go to school?

   He goes to school by bus.

4. Where is the park?

   The park is next to the hospital.

5. Reorder the words to make correct sentences:

1. works – in – the – A geologist – industry – mining.

   - A geologist works in the mining industry.

2. me, – where's – shopping – Excuse – the – mall?

   - Excuse me, where's the shopping mall?

3. carrier – A mail – delivers – packages – and – mails.

   - A mail carrier delivers mails and packages.

6. Punctuate the following:

Is atlia your british friend?

Is Talia your British friend?

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements: 4

"Germination process"

soil – roots

Germination process is when you put a seed under the soil. When you water the seed, it grows roots under the soil. The plant then grows fruits.

Model Exam 7

1. Listen and write T (True) or F (False): 8

I'm Judy. I think I'm healthy. On the weekend, I walk to my grandma's house with my family. I really like walking because I can talk to my mom and dad. We can see different houses and shops. I sometimes eat candy, but mango is my favorite food.

1. Judy is healthy. (T)
2. Judy doesn't like walking. (F)
3. Judy sometimes eats candy. (T)
4. Chicken is Judy's favorite food. (F)

2. Read and complete the text with words in the box: 3

horses – horns – hooves – camels

Rhim gazelles live in the Sahara Desert. They are very beautiful. They have big ears and long horns. They have hooves on their feet to help them walk on the sand. They have yellow-white coats which protect them from the sun. They don't drink a lot of water like camels. They eat grass, leaves, and plants.

3. Read and match (A) with (B): 4

A

1. Hit on the back with your open hand…
2. The snake lifts up its head…
3. We use our respiratory system…
4. Some seeds stick to animals' fur.

B

a. (4) Other seeds float on water.
b. ( ) when we eat and drink.
c. (1) if someone is coughing.
d. (2) when it feels scared.
e. (3) when we breathe.

4. Read the text and answer the questions: 4

People live in different houses. People in big cities usually live in apartments where they can have different rooms and balconies. People in the desert usually live in tents. They are usually made of cloth. Other people live in caves. I think caves are cool because it's never too hot or too cold inside caves. Other people live on houseboats that move on water. I find that scary. I don't like living on water.

A Choose the correct word:

1. People in the desert live in (apartments – caves – tents – houseboats).
2. (Caves – Tents – Cities – Houseboats) move on water.

B Answer the following questions:

3. Where do people in big cities live?

   People in big cities usually live in apartments.

4. What are tents usually made of?

   They are made of cloth.

5. Reorder the words to make correct sentences:

1. oil – Coal – are – and – energy – non – renewable – resources.

   - Coal and oil are non-renewable energy resources.

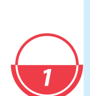

2. straight – Go – ahead – turn – then – right.

   - Go straight ahead and turn right.

3. long – How – a steppe – does – eagle – live?

   - How long does a steppe eagle live?

6. Punctuate the following:

The bus driver helps hana go to school

The bus driver helps Hana go to school.

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements:

"Damietta Governorate"

The land in Damietta is full of nutrients. The farmers can grow many crops like rice, tomatoes, potatoes, and lemons.

30

Listening

1. Listen and write T (True) or F (False): 8

My name is Sherifa. My aunt is a mail carrier in America. She says there are some cons for a being a mail carrier. She works outside all day. It isn't funny when it is too cold or hot. She sometimes carries heavy mail bags.

1. Sherifa's aunt is a police officer. (F)
2. There are some cons for being a mail carrier. (T)
3. Sherifa's aunt works in an office all the day. (F)
4. Sherifa's aunt sometimes carries heavy mail bags. (T)

Reading

2. Read and complete the text with words in the box: 3

heat – hooves – insects – foxes

The fennec fox lives in the desert. It's smaller than other foxes. Its ears are big, really big! The fennec fox needs the big ears to hear insects and small animals. During the day, it's hot in the desert. The fox loses heat from its ears. At night it's cold. The fox's thick fur keeps it warm.

3. Read and match (A) with (B): 4

A

1. The land is full of nutrients …
2. I can relax and do my homework …
3. The esophagus goes …
4. Plant cells need carbon dioxide

B

a. (4) to make food for the plant.
b. (   ) is never too cold or too hot inside it.
c. (1) in Damietta governorate.
d. (2) in the bedroom.
e. (3) from the mouth to the stomach.

4. Read the text and answer the questions: 4

We use electricity all the time in our daily lives. However, electricity can be dangerous. So, we should be careful when we use it. We should never touch anything electrical with wet hands. Electricity travels easily through water and our bodies are 70% water. We shouldn't also use a broken wire because this can cause an electric shock or start a fire. We can only put plugs into a socket.

A Choose the correct word:

1. We should never touch anything electrical with (broken – wet – dry – soft) hands.
2. Electricity travels easily though (water – wood – rocks – plastic).

B Answer the following questions:

3. Why shouldn't we use a broken wire?

   Because this can cause an electric shock or start a fire.

4. What can we put into a socket?

   We can only put plugs into a socket.

5. Reorder the words to make correct sentences:

1. keep – The – school – cleaners – the – clean.

   - The cleaners keep the school clean.

2. is – The bank – next – to – mall – the – shopping.

   - The bank is next to the shopping mall.

3. live – Does – Noha – on – boathouse – a?

   - Does Noha live on a houseboat?

6. Punctuate the following:

does sarah live in a cave?

Does Sarah live in a cave?

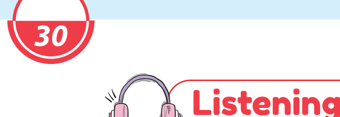

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements: 4

"Plant habitats"

Agriculture habitat – desert habitat

Plants grow in different habitats. Bean plants and orange trees grow in the agriculture habitat. Acacia and tamarisk trees grow in the desert habitat.

30

1. Listen and write T (True) or F (False): 8

Damietta is an Egyptian governorate. Its land is rich in nutrients. The farmers can grow many crops there such as rice and wheat. Fishermen catch thousands of fish in the sea. Goats, cows, and sheep live in Damietta, too. Life is good in Damietta.

1. Damietta is a French governorate. (F)
2. Farmers grow many crops in Damietta. (T)
3. Fishermen catch thousands of fish. (T)
4. Life is boring in Damietta. (F)

2. Read and complete the text with words in the box:

sunflower – rivers – tamarisk – agriculture

Plants grow in different habitats. Bean plants and orange trees grow in the agriculture habitat. Farmers work there. Reed and lotus flowers grow near rivers and lakes. Acacia and tamarisk trees grow in the desert. Plants that grow in this habitat don't need much water to grow.

3. Read and match (A) with (B): 4

A

1. The heart …
2. A female steppe eagle is …
3. When something is polluted …
4. People need oxygen…

B

a. (3) it's dirty from cars and factories.
b. (4) so that they can breathe.
c. (1) pumps the blood around the body.
d. (2) heavier and larger than the male.
e. ( ) to cool buildings and apartments.

4. Read the text and answer the questions:

Green plants are good for the environment. Plant cells take carbon dioxide from the air. They need it to make food for the plant. The plant then produces oxygen. People need oxygen so that they can breathe. Plants in our houses and parks give us cleaner air to breathe. In some cities, like Paris and Milan, people are growing plants on apartments. These plants keep the building cool and help with air pollution.

A Choose the correct word:

1. Plant (cells – seeds – roots – shoots) take carbon dioxide from the air.
2. Plants in houses and parks give us (bed – harmful – polluted – cleaner) air to breathe.

B Answer the following questions:

3. What do people need to breathe?

   People need oxygen so that they can breathe.

4. How can plants help with air pollution?

   They give us cleaner air to breathe.

5. Reorder the words to make correct sentences: 6

1. does – What – a – do – driver – bus?

   - What does a bus driver do?

2. relax – I – and do – in the – homework – bedroom – can.

   - I can relax and do homework in the bedroom.

3. are – Those – electrician's – the – tools.

   - Those are the electrician's tools.

6. Punctuate the following: 1

noha works at the supermarket

Noha works at the supermarket.

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements: 4

"Places where people live"

- Where do people in big cities live? - Where do people in the desert live?

People live in different places. People in big cities usually live in apartments. People in the desert usually live in tents. Tents are made of cloth.

1. **Listen and write T (True) or F (False):**

8

Egypt is famous for its cotton. It's the best cotton in the world. That's because Egyptian cotton grows along the Nile and the soil of the Nile is rich in nutrients Egyptian cotton is special, too because its fibers are longer than other cottons.

1. Egypt is famous for its cotton. (T)
2. Egyptian cotton is the best in the world. (T)
3. Egyptian cotton grows in the desert. (F)
4. Egyptian cotton has short fibers. (F)

2. **Read and complete the text with words in the box:**

seeds – microscope - food - cells

A plant is made of millions of cells. These seeds are very small that we can't see them with our own eyes. We can only see them with a microscope. Chloroplasts make the plant green. The green plant cells make food for the plant. They use sunlight, carbon dioxide, and water.

3. **Read and match (A) with (B):**

4

A

1. A: What foods do we produce in Egypt?
2. Spiders may look scary, …
3. The shoot grows above the soil.
4. The sound in the word "sweep"

B

a. (3) It gets taller to have leaves.
b. ( ) Farmers raise chicken in Egypt.
c. (1) B: We produce many fruits and vegetables.
d. (2) but they are helpful.
e. (4) is the same as in the word "sleep".

4. **Read the text and answer the questions:**

Camels are amazing animals. They are perfect for the desert. Camels have large, flat feet so they can walk on the sand. Camels can live without water for a long time. Camels have special ways to close their noses and eyes to stop the sand from coming in. Camels are also helpful. They help us to carry things and people to cross the desert. Their milk is delicious. We can use their fur to make clothes.

A Choose the correct word:

1. Camels have large flat (nose – legs – feet – tail) to walk on the sand.
2. We can use the camels' (ears – nose – fur – hump) to make clothes.

B Answer the following questions:

3. Why are camels perfect for the desert?

   Because camels have large, flat feet so they can walk on the sand and they can live without water for a long time.

4. How are camels helpful?

   They help us to carry things and people to cross the desert. Their milk is delicious. We can use their fur to make clothes.

5. Reorder the words to make correct sentences: 6

1. strong – A builder – makes – walls – the – safe – and.

   - A builder makes the walls strong and safe.

2. inside – It's never – too hot – a cave – or – too cold.

   - It's never too hot or too cold inside a cave.

3. connected – Who – pipes – faucets – and?

   - Who connected pipes and faucets?

6. Punctuate the following: 1

is there a beach in Brighton city

Is there a beach in Brighton city?

"Pros of being a mail carrier"

outside – friends

I want to be a mail carrier. Mail carriers work outside all day and get a lot of exercise. They also meet many people and make new friends.

A. Listening

1. Listen and write T (True) or F (False):

	T	F
1. A garbage collector is inside all day.		
2. A garbage collector is happy.		
3. A garbage collector helps clean the city.		
4. A garbage collector is unhealthy.		

B. Reading

2. Read and complete the text with the words in the box:

(teacher - cell phones - be - doctor)

I live with my family in a small town. My father is a ……………… He works in a hospital. My mother is a ……………… at my school. My brothers like to open old …………………………… to know how they work. I want to be a dentist when I am older.

3. Read and match (A) with (B):

(A)	(B)
1. The fennec fox lives in the desert	a. I'm healthy.
2. I eat vegetables and fruits.	b. It has thick fur.
3. We breath in air	c. He takes us to school.
4. The bus driver helps us.	d. through our stomach.
	e. through our nose.

4. Read the text and answer the questions:

We use our digestive system to digest what we eat. We put food in our mouths. We chew food with our teeth. Then the food goes down the esophagus. It arrives in the stomach. In the stomach, the food mixes with the gastric juice. The gastric juice changes the food into a simpler form to get energy and nutrients. We need the energy and nutrients in our body.

A. Choose the correct answer from a, b, c, or d:

1. The food goes down to the ....

   a brain　b lungs　c esophagus　d heart

2. We need energy and .... in our bodies.

   a nutrients　b soil　c plants　d smoke

B. Answer the following questions:

3. How do we chew food?

   ....

4. What does the gastric juice do?

   ....

C. Writing

5. Reorder the words to make correct sentences:

1. biggest – **The** – is – flower – sunflower – the.

   ....

2. boat – **I** – in – go – my - out.

   ....

3. uses – make – **The** – to – plant – seeds - pollen.

   ....

6. Punctuate the following:

where do you live

....

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements:

"Steppe eagle"

- travel　– open areas

....

....

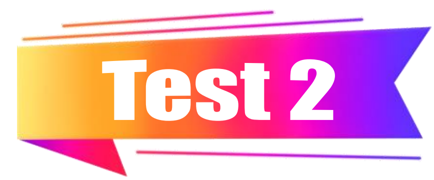

....

....

....

....

....

Test 2

A. Listening

1. Listen and write T (True) or F (False):

	T	F
1. Tomatoes have seeds inside.		
2. We take the leaves to grow new tomatoes.		
3. We water the plant every day.		
4. The roots grow above the soil.		

B. Reading

2. Read and complete the text with the words in the box:

(water - rice - busy - practice)

I'm in a wheelchair basketball team at school. We .... three times every week. I drink cola, but I want to drink more .... I don't play video games because I'm very .... I play basketball and I play football in the park.

3. Read and match (A) with (B):

(A)

1. Some animals are scary,
2. Why is electricity dangerous?
3. Your friend is coughing.
4. There's not much rain in the desert.

(B)

a. Plants there don't need a lot of water.
b. Hit him on his back.
c. but they are important.
d. Because you can have an electric shock.
e. buy vegetables.

4. Read the text and answer the questions:

Camels are very helpful. They carry things and people in the desert. They can live without water for a long time. Horses are helpful too. They are very fast and they can carry heavy things too. Horses can live up to thirty years while camels can live up to forty years. Horses and camels are good for the desert.

A. Choose the correct answer from a, b, c, or d:

1. Camels are good for the ....

ⓐ river ⓑ desert ⓒ lake ⓓ sea

2. Camels can live without .... for a long time.

ⓐ heart ⓑ lungs ⓒ air ⓓ water

B. Answer the following questions:

3. Why are camels helpful?

....

4. How long can horses live?

....

C. Writing

5. Reorder the words to make correct sentences:

1. make – my - flapjacks – friends – **I** - for.

....

2. than - is – **The** – elephant – dog – the - thinner.

....

3. us – to – directions - **We** – a map – the – show - use.

....

6. Punctuate the following:

the hospital is next to the school

....

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements:

"My village"

- small - grow

....

....

....

....

....

....

....

Test 3

A. Listening

1. Listen and write T (True) or F (False):

	T	F
1. Crocodiles are small.		
2. Snakes are dangerous.		
3. Crocodiles eat ants.		
4. Spiders are not helpful.		

B. Reading

2. Read and complete the text with the words in the box:

(cold - smaller - warm - hear)

The fennec fox lives in the desert. It's ………….. than other foxes. Its ears are big, really big! The fennec fox needs big ears to ……….. insects and small animals. During the day, it's hot in the desert. The fox loses heat from its ears. At night it's cold. The fox's thick fur keeps it ………………..

3. Read and match (A) with (B):

(A)	(B)
1. Plant a lot of trees	a. She is very curious.
2. Retaj loved to experiment.	b. to get polluted air.
3. Gana is kind.	c. grow under the soil.
4. The plant roots	d. She helps us.
	e. to get clean air.

4. Read the text and answer the questions:

Electricity is very important for us, so we must save it. There are a lot of ways to save energy and electricity. When you leave a room, turn off the lights. If you're not using your computer or television, unplug it. Use natural light in the day. Try to dry your clothes naturally.

Revision

A. Choose the correct answer from a, b, c, or d:

1. Electricity is very ....

   a) important b) unimportant c) safe d) friendly

2. We can use natural light in the ....

   a) night b) midnight c) evening d) day

B. Answer the following questions:

3. How should we dry clothes?

   ....

4. What does the underlined pronoun "it" refer to?

   ....

C. Writing

5. Reorder the words to make correct sentences:

1. divided - economy – industries – **Our** – is - into.

   ....

2. they - are – **Tomatoes** - before - green – red - are.

   ....

3. every – our - **We** – brush – day – should - teeth.

   ....

6. Punctuate the following:

the daisy isn't as big as the sunflower

....

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements:

"Fisherman"

- Where does a fisherman work?
- What does a fisherman do?

....

....

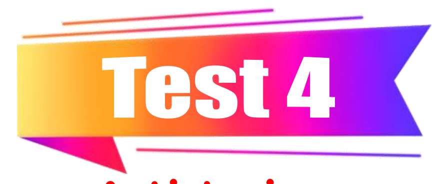

....

....

....

....

....

Test 4

A. Listening

1. Listen and write T (True) or F (False):

	T	F
1. Zain lives in a city.		
2. Zain lives with his friends.		
3. Zain's house is the biggest.		
4. There are tall trees behind the house.		

B. Reading

2. Read and complete the text with the words in the box:

(green - large - sunlight - small)

A plant is made of millions of cells. The plant cells are very, very ……………………. Chloroplasts make the plant ……………… You can only see them with a microscope. The green plant cells make food for the plant. They use ……………, carbon dioxide and water.

3. Read and match (A) with (B):

(A)	(B)
1. These are my	a. has no hair.
2. How fast is	b. desert plant.
3. The naked mole rat	c. has thick fur.
4. Tamarisk is a	d. friends.
	e. the camel?

4. Read the text and answer the questions:

Teaching is the best job. I enjoy every bit of my job. It has its pros and cons but on the whole it's good when you help the young to leave school with good grades and know they have a future. I teach in a lovely school. I teach English. I wake up early. I go to school at half past seven. Although it is a tiring job, most teachers love what they do.

Revision

A. Choose the correct answer from a, b, c, or d:

1. Teaching is the ……………… job.

   a fastest　　b tallest　　c best　　d worst

2. Teaching has pros and ………………

   a cans　　b cons　　c cones　　d canes

B. Answer the following questions:

3. When is teaching good?

   ……………………………………………………………………………

4. Do most teachers love what they do?

   ……………………………………………………………………………

C. Writing

5. Reorder the words to make correct sentences:

1. the – shopping mall - behind – **The** – is - park.

   ……………………………………………………………………………

2. the - stronger – **The** - than - bear – pelican - is.

   ……………………………………………………………………………

3. and - **Can** – see – the leaves – you – the flowers?

   ……………………………………………………………………………

6. Punctuate the following:

he redid his homework

……………………………………………………………………………

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements:

"Respiratory System"

- breathe - oxygen

……………………………………………………………………………

……………………………………………………………………………

……………………………………………………………………………

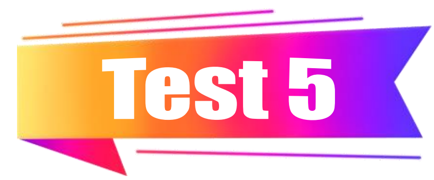

……………………………………………………………………………

……………………………………………………………………………

……………………………………………………………………………

……………………………………………………………………………

A. Listening

1. Listen and write T (True) or F (False):

	T	F
1. Hussein wants to be a mechanic.		
2. Hussein's uncle has a boat.		
3. Hussein's uncle catches fish from the Nile.		
4. Hussein's uncle doesn't like his job.		

B. Reading

2. Read and complete the text with the words in the box:

(bigger - smaller - colors - fast)

Cats are nice, cute animals. They are .... than horses. They are very .... too. Cats have different .... Some cats are black.

3. Read and match (A) with (B):

(A)	(B)
1. A snake is more dangerous	a. cleans the house.
2. I want to go out, but	b. it's raining.
3. Plants need	c. flapjacks again.
4. She made	d. than a spider.
	e. sunshine.

4. Read the text and answer the questions:

A pelican and a bear are in the river. They are very hungry. They are both looking at a big, juicy fish. The bear reaches for the fish. It lifts its paw. The pelican opens its beak. It is ready to take the fish out of the water. The bear sees the pelican. The pelican sees the bear. 'Excuse me, 'the pelican says, 'that's my fish.' The bear is surprised and angry. 'Pelican, look at my claws. Now look at my teeth. That's my fish.'

A. Choose the correct answer from a, b, c, or d:

1. A pelican and a bear are in the ....

ⓐ desert ⓑ river ⓒ oasis ⓓ cave

2. The bear lifts its ....

ⓐ head ⓑ hair ⓒ paw ⓓ tail

B. Answer the following questions:

3. What are a pelican and a bear looking at?

....

4. Which animal is angry?

....

C. Writing

5. Reorder the words to make correct sentences:

1. blood – heart - body – **Our** – around – pumps – our.

....

2. English – and – **I** – speak - can – Chinese.

....

3. eats - **The** – mammals – steppe – small – eagle.

....

6. Punctuate the following:

who helps you get to school on time

....

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements:

"Farmers"

- grow - food

....

....

....

....

....

....

....

Test 6

A. Listening

1. Listen and write T (True) or F (False):

	T	F
1. Rhim gazelles look very ugly.		
2. Rhim gazelles eat fish.		
3. Rhim gazelles have big ears and long horns.		
4. Rhim gazelles don't need to drink a lot of water.		

B. Reading

2. Read and complete the text with the words in the box:

(school - balcony - between - next)

We have a big house near the sea. We have a big ……………… We put flowers in it. Our house is ………………… the post office and the hospital. I walk to my …………………… every day.

3. Read and match (A) with (B):

(A)	(B)
1. The eagle has strong wings.	a. when you leave a room.
2. A rose is taller	b. strong and safe.
3. Turn the lights off	c. It can't fly.
4. A builder made the walls	d. than a daisy.
	e. It can fly easily in the sky.

4. Read the text and answer the questions:

Hi, I'm Alex. I live in a city called Brighton. It is in the south of England. It's a small city and about 200,000 people live here. In Brighton, there's a beach and there are lots of cool stores and restaurants. Lots of tourists come to my town to go to the beach. We also have Brighton Pier. There are many games and rides for children here. We also have a very unusual house in Brighton - the Upside Down House! It's great fun!

A. Choose the correct answer from a, b, c, or d:

1. Alex live in a ....

ⓐ village ⓑ farm ⓒ boat ⓓ city

2. The Upside Down House is a/an .... house.

ⓐ usual ⓑ unusual ⓒ normal ⓓ regular

B. Answer the following questions:

3. Where is Brighton?

....

4. Why do tourists come to Brighton?

....

C. Writing

5. Reorder the words to make correct sentences:

1. tent – made - cloth – **My** – of – is.

....

2. air – travel– **Seeds** – in - can – the.

....

3. helps - books – choose - **The** – us – librarian – good.

....

6. Punctuate the following:

we go to the farm every weekend

....

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements:

"Digestive System"

- digest - chew

....

....

....

....

....

....

....

A. Listening

1. Listen and write T (True) or F (False):

	T	F
1. We need oxygen to breathe.		
2. The air is not polluted.		
3. Plants take carbon dioxide from the air.		
4. Plants in the houses give us carbon dioxide.		

B. Reading

2. Read and complete the text with the words in the box:

(above - special - under - rocks)

I'm a geologist. I study the ground and the ………… under our feet. I study what is …………… the ground. I find ……….. metals and think how we can take the metals out of the ground.

3. Read and match (A) with (B):

(A)	(B)
1. Naked mole rat can't control	a. is delicious.
2. The camel's milk	b. its body temperature.
3. Don't use	c. no wings.
4. A bird has	d. a broken wire.
	e. two wings.

4. Read the text and answer the questions:

The crocodile is huge and scary. The snake is scary too. The snakes and crocodiles are dangerous, but they do a very important job. They eat insects, birds and lizards. This controls the number of these small animals. Spiders are scary but they are helpful. They eat insects. Farmers like spiders.

Revision

A. Choose the correct answer from a, b, c, or d:

1. The crocodile is huge and ....

   (a) kind (b) friendly (c) scary (d) funny

2. Spiders eat ....

   (a) fish (b) insects (c) meat (d) birds

B. Answer the following questions:

3. Why do farmers like spiders?

   ....

4. What do snakes and crocodiles do?

   ....

C. Writing

5. Reorder the words to make correct sentences:

1. Flapjacks are	a. can all help each other.
2. The right lung is larger	b. chips.
3. In our community we	c. cookies.
4. Dolphins are	d. than the left lung.
	e. mammals.

4. Read the text and answer the questions:

Rhim gazelles look very beautiful. They live in the Sahara Desert, and they walk around for grass, leaves and plants to eat. They have big ears and long horns. They have yellow-white coats which protect them from the sun. They have hooves on their feet. These hooves help them walk on the sand. Like camel, they don't need to drink a lot of water.

A. Choose the correct answer from a, b, c, or d:

1. Rhim gazelles have big ears and long ....

   ⓐ hair ⓑ horns ⓒ heads ⓓ fingers

2. Rhim gazelles look very ....

   ⓐ ugly ⓑ noisy ⓒ dangerous ⓓ beautiful

B. Answer the following questions:

3. What do Rhim gazelles eat?

   ....

4. What do Rhim gazelles' hooves do?

   ....

C. Writing

5. Reorder the words to make correct sentences:

1. walk – sand– **Camels** – the - can – on.

   ....

2. plants - your – **Put** – in – balcony - green.

   ....

3. works – tourism - **A** – in - guide - the.

   ....

6. Punctuate the following:

where do you send letters

....

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements:

"Mail carrier"

- walk - not easy

....

....

....

....

....

....

....

Test 9

A. Listening

1. Listen and write T (True) or F (False):

	T	F
1. A plant is made of millions of cells.		
2. Sunlight makes the plant green.		
3. The plant make its food at night.		
4. You can see chloroplasts with a microscope.		

B. Reading

2. Read and complete the text with the words in the box:

(wood - water - burn - control)

Electricity is dangerous. If we get an electric shock, we can't ………………… our bodies. It can also ……….. us. Electricity is always trying to go into the ground. It travels easily through ……….. and our bodies are 70% water.

3. Read and match (A) with (B):

(A)	(B)
1. Stay away from	a. than the pelican.
2. The bear is bigger	b. smoke.
3. A billion is a	c. thousand million.
4. My friend lives on a houseboat.	d. sleep.
	e. He loves living on water.

4. Read the text and answer the questions:

We use our respiratory system when we breathe. We need oxygen in our bodies. We breathe air through our mouth and nose. Our diaphragm goes down. It pulls air into our lungs. In the lungs, the oxygen from the air goes to our blood. Our heart pumps this blood around our body.

Revision

A. Choose the correct answer from a, b, c, or d:

1. We need .... in our bodies.

   a) smoke b) plastic c) oxygen d) steam

2. Our .... pumps the blood around our body.

   a) lung b) head c) hand d) heart

B. Answer the following questions:

3. Which system do we use when we breathe?

   ....

4. What does the diaphragm do?

   ....

C. Writing

5. Reorder the words to make correct sentences:

1. the - practice – on – **I** – basketball - weekend.

   ....

2. the – move – wind - **Some** – can – in - seeds.

   ....

3. at – lovely - **Look** – apartment - our - new.

   ....

6. Punctuate the following:

crocodiles are dangerous and scary

....

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements:

"Papyrus"

- famous - baskets

....

....

....

....

....

....

....

A. Listening

1. Listen and write T (True) or F (False):

	T	F
1. The land in Damietta is rich in nutrients.		
2. Farmers grow vegetables and fruits.		
3. There aren't any fishermen in Damietta.		
4. Life is good in Damietta.		

B. Reading

2. Read and complete the text with the words in the box:

(bigger - open - smaller - wings)

The steppe eagle travels from Europe to Africa in winter. It lives in very big, …………… areas. It lives around 40 years. It is around 3 kilograms. It eats other birds, small mammals and rabbits. When it opens its …………, it's longer than you! The female is …………… and heavier than the male.

3. Read and match (A) with (B):

(A)	(B)
1. I need to repaint	a. vegetables.
2. Onions are	b. than a daisy.
3. A reed is taller	c. a lot of water.
4. Camels don't drink	d. my garden table.
	e. than a giraffe.

4. Read the text and answer the questions:

Renewable energy sources are everywhere. We can make electricity from wind, water, and the sun. We do not need to burn these resources, so there is no pollution. To make electricity from renewable energy sources, we need new solar farms and wind farms. A solar farm needs a lot of sunshine. A wind farm needs a big space. To make wave energy, you need the sea.

Revision

A. Choose the correct answer from a, b, c, or d:

1. A solar farm needs a lot of ....

   a) sunshine b) rain c) water d) snow

2. To make wave energy, you need the ....

   a) sand b) sun c) salt d) sea

B. Answer the following questions:

3. How can we make electricity?

   ....

4. What does a wind farm need?

   ....

C. Writing

5. Reorder the words to make correct sentences:

1. grows – soil – **The** – the - shoot – above.

   ....

2. next – the – tent – **The** – soil – to - is.

   ....

3. man – the - **What** – sell - old - does?

   ....

6. Punctuate the following:

the hotel pays a salary to the workers

....

7. Write a paragraph of EIGHTEEN (18) words using the following guiding elements:

"flapjacks"

- oats - delicious

....

....

....

....

....

....

....

Test 1: Listening text

A garbage collector is outside all day. When it rains, the garbage collector gets wet! But the garbage collector is happy because he helps to clean the city. He is healthy because he walks every day.

Test 2: Listening text

Tomatoes have seeds inside. We can take the seeds and grow new tomatoes! We plant a seed and the plant grows. That is called germination. We water the plant every day and the roots grow under the soil. The plant grows flowers and the flowers become tomato fruits.

Test 3: Listening text

Crocodiles are huge and scary. Spiders are scary, too. But farmers like spiders because they are helpful. They eat insects. Crocodiles and snakes are dangerous but they do an important job. They eat insects, birds and lizards. This controls the number of these small animals.

Test 4: Listening text

My name's Zain. I live in a village next to the Nile. I live in a house with my family. Our house is not the biggest in the village. It is between a yellow house and a brown house. There are tall trees behind the house.

Test 5: Listening text

I'm Hussein. My uncle is a fisherman. He has a boat. Every morning, he goes to the Nile to catch fish. In the afternoon, my uncle goes home with a lot of fish. He sells some fish at the market. He cooks some fish and eats his lunch. My uncle likes his job because it's fun. I want to be a fisherman when I grow up.

Test 6: Listening text

Rhim gazelles look very beautiful. They live in the Sahara Desert, and they walk around for grass, leaves and plants to eat. They have big ears and long horns. They have yellow-white coats which protect them from the sun. They have hooves on their feet. These hooves help them walk on the sand. Like camel, they don't need to drink a lot of water.

Test 7: Listening text

People need oxygen so we can breathe. In big cities, the air is polluted because of factories and cars. There is a lot of carbon dioxide in the air. Plants take carbon dioxide from the air. The plant cells need carbon dioxide to make food for the plant. The plants also make oxygen. Plants in our houses
and parks give us oxygen to breathe.

Test 8: Listening text

There are some differences among flowers. The rose is taller than the daisy. The daisy is more colorful than the rose. The sunflower is the tallest. The daisy lives around six days. The rose lives around ten days. The sunflower lives around two weeks.

Test 9: Listening text

A plant is made of millions of cells. The plant cells are very, very small. Chloroplasts make the plant green. You can only see them with a microscope. The green plant cells make food for the plant. They use sunlight, carbon dioxide, and water.

Test 10: Listening text

The land in Damietta governorate is rich in nutrients. The farmers can grow rice, tomatoes, potatoes, wheat, lemons, grapes, and guavas. Fishermen catch thousands of fish in the sea. Cows, goats, and sheep live in Damietta governorate too. Domiati cheese is very famous. About one and a half million people live in this part of Egypt. Life is good in Damietta!

A. Listening (8 Marks)

1. Listen and write T (True) or F (False). (8 Marks)

1. Horses are faster than camels. ☐
2. Horses likes to eat meat. ☐
3. Horses are heavier than camels. ☐
4. Camels are taller and stronger than horses. ☐

B. Reading (11 Marks)

2. Read and complete the text with words in the box. (3 Marks)

(winter - summer - open – steppe eagle)

The .... travels from Europe to Africa in ....

It lives in very big, ... areas.

3. Read and match (A) with (B). (4 Marks)

(A)		(B)
1. I love living in a house	( )	respect the poor.
2. Farmers plant cacao seeds	( )	because it is big.

Listening texts

Listening text 1:

A horse is a beautiful animal. It has large beautiful eyes. It has strong teeth. It lives around 25 years. It can run 44 kph. It likes to eat grass and drink fresh water. It is 157 – 173 centimeters tall. Horses are faster than camels but camels are heavier than horses. Horses are tall but camels are taller and stronger than them.

Listening text 2:

Crocodiles are huge and scary. Spiders are scary, too. But farmers like spiders because they are helpful. They eat insects. Crocodiles and snakes are dangerous but they do an important job. They eat insects, birds and lizards. This controls the number of these small animals.

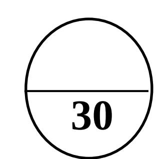

Listening text 3:

Lucas lives on a farm in the United States. It is a very special farm. Forty years ago, the land was very dry. There was no farm. No one wanted to live there. Lucas's grandparents lived in the city, but they didn't like it. They didn't like the polluted air and the noise. They wanted to have a farm. They decided to buy some land.

Listening text 4:

Egypt is very famous for its cotton. It is probably the best cotton in the world. This is because the Egyptians grow it along the Nile, and the Nile soil is very rich in nutrients. The Egyptian climate is humid, that is wet. The sun shines almost every day. All these conditions are excellent for very good cotton.

اختبارات نهاية الفصل الدراسي الأوّل

4 الصف الرابع الابتدائي 2023-2022

Test 1

(A) Listening

1 Listen and write T (True) or F (False):

1. The guide explains the history to tourists. (..........)
2. The geologist looks after the trees. (..........)
3. The engineer makes sure the wind turbines turn well. (..........)
4. The librarian works in the tourism industry. (..........)

(B) Reading

2 Read and complete the text with the words in the box:

plenty – stay – plants – redo

We all should have a healthy respiratory system. To have a healthy and good respiratory system, we need to (1) .... away from smoke. We need to exercise every day and put (2) .... in our balcony. We also need to drink (3) .... of water to have a healthy respiratory system.

3 Read and match:

1. A pelican has ......
2. If you get an electric shock, ...
3. You have a nosebleed. ......
4. The nose is in ......

a) you can't control your body.
b) the center of the face.
c) a beak.
d) Pinch the nose for 5-10 minutes.
e) during the day.

4 Read the text and answer the questions:

A plant makes new seeds. It produces pollen in a flower. These seeds travel away from the plant to a new place. They need a new place to grow. The plant seeds can travel in three different ways. The very light seeds can move in the wind, but the big seeds float on water. Other seeds can stick to an animal's fur. When the animals move, they take the seeds on their fur with them.

(A) Choose the correct answer:

1. A plant produces .... in a flower.

   a. leaf **b.** pollen **c.** soil **d.** seed

2. The big seeds float on ....

   a. water **b.** wind **c.** animal's fur **d.** trees

(B) Answer the following questions:

3. Can the very light seeds move in the wind?

   ....

4. How do seeds travel on animals?

   ....

(C) Writing

5 Reorder the words to make correct sentences:

1. is – **Papyrus** – a very – and famous – plant. – special

   ....

2. **The geologist** – and the rocks – our feet. – studies – under – the ground

   ....

3. room? – **Which** – favorite – your – is

   ....

6 Punctuate the following:

- Does tarek like crocodiles and spiders

....

7 Write a paragraph of EIGHTEEN (18) words using the following guiding elements:

Workers in our community

(community - workers - help - home)

....

....

....

....

GOOD LUCK

(A) Listening

1 Listen and write T (True) or F (False):

1. Plants that live in the desert need a lot of water. (..................)
2. Tamarisk and reed live near rivers. (..................)
3. Reed needs a lot of water. (..................)
4. The bean plant lives in the agricultural habitat. (..................)

(B) Reading

2 Read and complete the text with the words in the box:

oven - seeds - roots - soil

First, farmers plant cacao seeds in the (1) .... Next, the plants become fruits. These fruits are called pods. After that, the farmers dry the pods in the sun and roast the cacao beans in an (2) .... to take out the cacao seeds. Finally, the cacao (3) .... go to a factory to make a bar of chocolate.

3 Read and match:

1. A librarian works in ......
2. These are the ......
3. Crocodiles are more ......
4. Wash the scrape ......

a) builder's tools.
b) water for a long time.
c) a school library.
d) and put a band-aid on it.
e) dangerous than fish.

4 Read the text and answer the questions:

My favorite subject is science. Today we had a lesson at school about germination. It's when you plant a seed and it grows. Also our teacher told as about growing new apples from the seeds inside them. We plant the seeds and water them daily to help the roots grow under the soil. The plant grows flowers and the flowers become apple fruits. I went home and told my dad about the class. We decided to plant apples in our garden.

(A) Choose the correct answer:

1. Germination is when you plant a .... and it grows.
   a. seed **b.** root **c.** soil **d.** leaves

2. We water the seeds to help the roots ....
   a. fly **b.** move **c.** plant **d.** grow

(B) Answer the following questions:

3. What is germination?

....

4. Where do the roots grow?

....

(C) Writing

5 Reorder the words to make correct sentences:

1. need – encourage – to – students. – Teachers – their

....

2. a builder – I – is – being – exciting. – think

....

3. fox – loses – The – its ears. – heat – from

....

2 Read and complete the text with the words in the box:

delicious – salt – cookies – heat

A flapjack is a British dessert. Flapjacks are (1) .... made with oats, butter, and honey. It's (2) .... This is how you make a flapjack. First, melt the butter, sugar, and honey in a large pan over low heat. Then, add oats and (3) .... and stir them very well. After that, bake for 20 minutes. Slice the flapjack when it's cold and enjoy it.

3 Read and match:

1. Camels help us to carry ......
2. I don't eat candy, ...
3. Orange tree lives in ......
4. Wave energy is ......

a) cause pollution.
b) the agricultural habitat.
c) a renewable energy source.
d) but I like fruit.
e) things and people.

4 Read the text and answer the questions:

Today, 80% of electricity comes from non-renewable resources. These are coal, gas, and oil. We take these resources from the Earth, but we can't make more. When we burn non-renewable energy resources to make electricity, we cause pollution. On the other hand, renewable energy sources can grow again or never run out. Also we don't need to burn these resources. Wave energy, wind energy, and solar energy are renewable energy sources.

(A) Choose the correct answer:

1. Coal and .... are non-renewable energy sources.
   a. gas **b.** wave energy **c.** solar energy **d.** wind energy
2. We don't need to burn .... energy resources.
   a. non-renewable **b.** oil **c.** renewable **d.** coal

(B) Answer the following questions:

3. Is wave energy a renewable energy source?

   ....

4. How do we make electricity from non-renewable energy resources?

   ....

(C) Writing

5 Reorder the words to make correct sentences:

1. does – juice – What – do? – gastric – the

   ....

2. under – the – soil. – grow – The – roots

   ....

3. I – grow – think – we – Egypt. – rice – in

   ....

6 Punctuate the following:

- a reed is the tallest plant

  ....

7 Write a paragraph of EIGHTEEN (18) words using the following guiding elements:

The job you want to be in the future

- What is this job?
- Why do you like this job?

....

....

....

....

GOOD LUCK

(A) Listening

1 Listen and write T (True) or F (False):

1. The milk of the camel is delicious. (..............)
2. Camels are not perfect for the desert. (..............)
3. Camels can walk on the sand. (..............)
4. Camels can't live without water for a long time. (..............)

(B) Reading

2 Read and complete the text with the words in the box:

builder - bus driver – teacher – litter

We all should respect each other. To show respect to the cleaner, don't throw (1) .... To respect the (2) ...., listen to him carefully. When you get off the bus, say thank you to the (3) .... All the jobs are important in our community.

3 Read and match:

1. A prime number is a number ......
2. The diaphragm is ......
3. Your friend is coughing, ...
4. Tourism industry is to ......

a) a muscle under the lungs.
b) hit him on the back.
c) you can divide only by itself and 1.
d) work with tourists.
e) needs water and sunshine.

4 Read the text and answer the questions:

Malak wants to be a teacher when she grows up. She thinks it's the best job in the world. Teachers have a different day every day. Students ask surprising questions, so teachers need to think fast to answer. Teachers encourage their students to do well. Teaching is a very hard job, because teachers need to work many hours every day. But, it's also exciting. Not only teachers know lots of things, but students also know other things.

(A) Choose the correct answer:

1. Malak wants to be a .... when she grows up.
   a. geologist **b.** guide **c.** librarian **d.** teacher
2. Teaching is a hard job, but it's also ....
   a. exciting **b.** difficult **c.** easy **d.** sad

(B) Answer the following questions:

3. How do teachers have a different day every day?
   ....
4. Why is teaching a very hard job?
   ....

(C) Writing

5 Reorder the words to make correct sentences:

Q 4 - Read the passage and Answer the questions :

Damietta is a big Egyptian governorate. Its land is rich in nutrients. The farmers there grow many foods such as rice, wheat, tomatoes, potatoes, lemons, grapes and guavas. They raise farm animals such as goats, cows and sheep, too. Fishermen catch thousands of fish in the sea. Damietta is famous for Domiati cheese. About one and a half million people live there. Life in Damietta is good.

Choose the correct answer:

1- (Damietta governorate – Domiati cheese – Fishermen) is the best title for the passage.

2- The life in Damietta is (bad – good – sad).

Answer the following question :

1- What do farmers in Damietta governorate grow?

English Connect Exam

Q 5 - Circle the odd one out :

1- Useful – careful – fast – colorful .
2- Mangoes – oats – grapes – bananas .
3- Pelican – pear – pin – beak .
4- Intelligent – strong – popular – important .
5- Large – hundred – thousand – million .
6- Sheep – goats – cows lions .
7- Control – live – mouse – eat .
8- Candy – cake – cola – flapjack .
9- Which – how long – how heavy – how tall .
10- Shortest – biggest – slower – fastest .
11- Daisy – rose – sunflower – river .
12- Small – strong – dangerous – slow .
13- Warm – faster – taller – colder .
14- 13 – 8 – 17 - 15
15- Governorate – re clean – made – redo .

Q6 - Rearrange the following sentences:

1- Have – inside – Tomatoes – seeds
2- Spiders – like – Farmers .
3- think – I – rice – grow – we – Egypt – in .
4- the – are – why – green – tomatoes ?
5- very – do – They – job – important .

6- some – special – I – us –for – food .

7- we – do – How – tomatoes – new – grow ?

8- we – raise – I – think – Egypt – chicken – in

9- eats – The – small – pelican – fish .

10-green – are – Tomatoes – red – before – are - they

11-ready – is – Lunch

12-produce – many – farmers – Egyptian – things

13- eat – birds – insects, - They – lizards – and .

14-How – roots – The – the – soil – under .

15-Are – very – spiders – helpful .

Q 7 - Read the passage and Answer the questions :

A plant is made of millions of cells. The plant cells are very, very small. Chloroplasts make the plants green. You can only see them with a microscope. The green plant cells make food for the plant. They use sunlight, carbon dioxide, and water. They give us oxygen in return. In some cities, people grow plants in apartments and buildings for a cleaner air.

Choose the correct answer:

1- Oxygen is a gas that people need to (breathe – eat – drink).

2- (Oxygen – Microscope – Chloroplasts) make plants green.

Answer the following question:

1- How can plant cells make their food?

English Connect Exam
